## Profile

Jeroen Zwaap (Rotterdam (NL), 1980) is a Dutch-Turkish queer visual artist and explorer, technovoyeur and UFO-enthusiast. Zwaap uses voyeurism as a practice to form his own perception of the world, and to explore, resist and challenge existing ones. He always works on the verge of photography and media-ecologies of watching, using the internet as his camera.

*Key words: internet, surveillance, non-human photography, machine intelligences, new media-ecologies, voyeurism,*
